

Our camp is done in week packages, Monday thru Friday, four hours each day from 10:00 until 14:00.

Standard

5 days of classes, 4 hours each day, 20 hours of class all together. You can add additional weeks for more classes.

Standard+private class

The standard daily classes plus an extra hour by yourself or just your group, after normal classes.

Standard + Weekend

The standard week of class plus the weekend for excursions to other cities with the coaches and plenty of opprotunities for cheerleading fun. Each weekend we go to a different city near Malaga and stay for Saturday night. Some of the city options: Granada, Sevilla, Cordoba, Nerja (best beaches and paella), Marbella, Gibraltar.

Combinations

You can combine any of the above options for more time. For example; two weekends with a standard week of class, or two weeks of class with one weekend in between.
